## Letter from the Tournament Director

---

Greetings Taekwondo Members,

I would like to welcome everyone to the **2018 Maryland Governor's Cup Taekwondo Championship**. We were blessed to have over 500 athletes participate in this event last year. This prestigious tournament will continue the tradition of providing the finest in competition as well as refereeing and judging for the Maryland State Taekwondo Association immediately following the USAT Qualifier. This remarkable tournament will be such an important event since proceeds from this tournament go directly to the **Children's Cancer Foundation (CCF)**.

On behalf of the Maryland State Taekwondo Association, it gives me great honor to announce this year's competition to officially mark the second year to celebrate **Taekwondo Day in the State of Maryland**. **Governor Larry Hogan and the First Lady will honor us with their presence and participation in this momentous occasion.**

**We will have two categories of black belt divisions in 12-14, 15-17, & 17-32: World Class and Open Sparring. Daedo scoring will be available for black belt world class divisions in 12-14, 15-17 and 17-32 divisions and Ring Master scoring for Open Sparring and all other age categories. Daedo socks will NOT be available for purchase on site. Please go to [www.tkdscore.com](http://www.tkdscore.com) to purchase your Gen2 socks** if you are competing in the World Class black belt divisions and allow enough time for shipment.

We will also showcase a **3-man Tag Team Sparring** division which will consist of 3 black belt competitors 15+ in age that will compete in a single elimination bracket at 1-5 minute round each. Within each singular 5-minute round match, any of the 3 competitors may tag in/out as many times as they would like. It will be an exciting showcase!

Remember Taekwondo competition is an essential part of martial arts training. Competition allows you to put your individual skills to the test against another individual of similar experience and level. But keep in mind Taekwondo competition is ultimately a learning experience. And with every experience in life you gain knowledge, strength, courage, and confidence. So through your experience at this competition, you will become a better Taekwondo student overall.

Look forward to seeing all of you at this great tournament, so keep practicing and good luck.

*"It's not whether you get knocked down; it's whether you get up."*

*-Vince Lombardi*
